Subject : Invitation for students to volunteer at KISAN 2022.

Dear Sir,

Namaskar!

It is our pleasure to introduce to you **KISAN March 2022: India's Largest Agri Show**. The journey of KISAN started 30 years ago with the main objective to become the most effective platform that brings farmers and the agriculture community together. This year, in its 31st edition, KISAN is strengthening its existing activities and adding new initiatives to ensure a fruitful outcome.

Sir, we cordially invite your students to volunteer at KISAN 2022 at Pune. As a token of gratitude each student will receive:

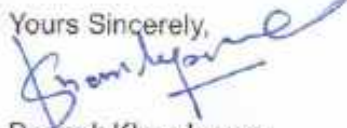

- *Certificate of participation*
- *Meals (breakfast, lunch, evening snacks)*
- *Rs. 300 per day*
- *Pickup and drop*

It will be our pleasure to offer space at KISAN'22 to promote your College and Courses among farmers. A prefabricated Stand of 9 sq.m. area will be offered to you complimentary.

Kindly allow your students to volunteer and confirm your participation.

Looking forward to your early confirmation.

Yours Sincerely,

Deepak Khemlarpure

6. Ms Prajakta Jori *Prajakta Jori*
7. Ms Niraja Ingle *Niraja Ingle*
8. Ayushi Bhayani *Ayushi Bhayani*

Minutes of the Meeting:

1. The Chair welcomed the members and gave a review of the previous BOS meeting that was held.
2. A review of how the First year syllabus was being implemented was shared.
3. Chair proposed to the BOS Members the first change that was introducing Psychology of Adjustment in place of Psychology of Abnormal Behaviour. These were the responses of the members:

- This change will cater to offering relevant information rather than just putting forth the glamor of disorders.
- It is a better approach to teach the subject, introduce some disorders, not entire focus on disorders, balance of adjustment and disorders.
- The change is welcome and it is a good idea to introduce Psychology of Adjustment.
- A small introduction to Pathology will be enough to give students an idea for Clinical Masters.

[Signature]
Principal
Modern College of Arts, Science
Commerce, Ganeshkhind, Pune-16

- This subject has a broader applicability to students. They will learn disorders in Masters and this will better prepare them for adjustment for life.
- There is more to Psychology than disorders. Adjustment Psychology will bridge the gap between FY to SY.
- Focus of Abnormal Psychology is only symptoms and a holistic approach are missing thus introducing this subject will be good.
There was a consensus about the proposed change among the members.

4. The second point that the Chair brought up for discussion was replacing the Positive Psychology paper with Gender and Psychology.

The Conclusions from the discussion were as follows:

- This will be an amazing course for General students. There is a desperate need for Gender sensitization in an academic setting.
- Gender dynamics in workplace can be addressed with this course
- How will this paper be different from the gender aspect in the adjustment paper? Mainstream approach will be taken in adjustment and gender psychology will take the critical approach.
- Overlap will be avoided in both papers.
- It becomes difficult in teaching and paper setting if there is overlap in syllabus. Application can be made in adjustment paper.
- Applications of this paper will be across subjects and it is important to discuss gender and all its aspects.

MA Part II Syllabus

5. The Chair brought up for discussion that in the Paper Psychopathology there should be an addition of the Topics - History of the Anti-Psychiatry Movement, and UNCRPD.

- This will be an introduction to International Psychology and familiarize them with Users Movement, Anti-Psychiatry frames, and the WHO released Quality Rights in Mental Health.
- Introductory to re fashion Clinical Psychology. It falls in Public Health Domain.
- For jobs, clinical research, counselling, students need to know about alternative movements and move out of Mainstream Psychology.
- "Compliments on this addition, I am sure the students will rise up to this syllabus and do it justice."
- We need to include this to offer students a broader understanding of Mental Health.

- "The DSM is something that needs to be referred to and not understood and studied. So I appreciate that these topics have been introduced in the syllabus so students can get these discourses in discussion".
- "We are going to take chunks and pieces which will be palatable to the students".
- We will send our tweaks in IO to external subject expert. There are repetitions in syllabus and we will be making corrections and revising the syllabus.
- We have decided to Club 2 Counselling papers and Introduce Cultural Psychology in its place.
- Syllabus ties up to Psychopathology and therapy to give overview of cultural aspects

For MA Part II Project, the need for Projects to be Inter and Multidisciplinary were discussed:

- Framing of topics for dissertation need not be discipline specific
- Mixed methodology will be encouraged
- Subject matter expert can be invited, IRB needs to be established
- Agreeable about this approach
- Major issue is providing good internship in organizations, observing clients is intrusive and unethical.
- Internships organizations are money making rackets
- Supervised session means supervising the new counselor and not the client
- Looking for opportunities other than settings of psychology, like app developers, UX, UI and other settings, machine learning.
- Role of this institution in practicum conduction, what will be the expectation from the student?
- For clinical part access to peer counselling as part of Practicum, activities of department
- Concession in fees if observer allows observation, will this model work?

Closing Comments:

- Extra Credit course for SY and MA students.
- Co-curricular activities to earn credit.
- Pass on detailed syllabus to experts.

5.	Examination Policy	1. The examination pattern will be discussed in details in forthcoming BOE. 2. It was further resolved that conduct of exam will be as per pattern of SPPU (30:70)
6.	Nomination of 2 subject experts from Institute other than parent university	All respective BOS have resolved to nominate 2 subject experts. Nomination letters have been sent to those members. They have attended respective BOS meetings held in October'22.

Following business was transacted during the meeting:

Academic council Chairperson and Principal Dr. Sanjay Kharat welcomed the members of the Academic council. He informed the committee about achievements of the college in the academic year 2022. He expressed a concern over less response to traditional course which has reflected in one vacant division each for B.A., B.Com., B.Sc. program.

1. Approval of previous meeting minutes held on 25th March 2022: The minutes of Academic council meeting held on 25th March 2022 were approved unanimously. It was also discussed that action taken report needs to be presented along with minutes so that members know the status of decisions taken.

2. Approval of minutes of following Board of Studies (BOS):

All the following mentioned BOS have conducted their meetings in the month of October'22. The details are as follows:

- Prof. Swati Kandharkar, Chairperson, Mathematics BOS recommended new evaluation pattern to include project work.
- Prof. Sanjay Dhole suggested that Certificate Course should be for two credits, so the Certificate Course designed by Zoology BOS needs to be upgraded to two credits. He also suggested that under NEP 2020, Multiple Entry-Exit Mechanism would be applicable where a student gets certificate after completing first year of the course. In view of that, it is advisable to change the nomenclature of a Certificate Course to Value-added or Add-on Course so as to avoid any confusion. He stated that under CBCS system, all BOS would create a uniform structure in which core courses will have 70% weightage & mobility will be provided in 30% element. Elective Value-added courses need to be open for all.
- Prof. Rajeshwari Deshpande suggested that uniformity in the nomenclature of courses & parity of credits (All course to be of two credits) need to be ensured. She urged to have a dialogue across all BOS. She also alerted that not to float too many courses rather she advised to have a manageable structure of the syllabus from a point of view of teachers and students.

The members approved the minutes of all above mentioned BOS.

- 3. Approval of minutes of Board of Interdisciplinary Studies:** Principal Dr. Sanjay Kharat informed the council members about formation of a separate Board of Studies for Interdisciplinary studies. Meeting of Board of Interdisciplinary Studies was organized on 18th of October 2022 in which it was decided to implement certain mandatory credit courses.

The details are as follows:

Sr. No. Board of Interdisciplinary Studies

- 1 Environmental Awareness - Science
- 2 Environmental Awareness - Arts
- 3 Environmental Awareness - Commerce
- 4 Democracy, Election & Governance
- 5 Constitution of India

Principal
Modern College of Arts, Science & Commerce, Pune-16.

Science
& Mind.

- 6 Cyber Security
- 7 Human Rights
- 8 Research Methodology and Scientific Communication
- 9 Research Methods and Reporting

Introduction to Legal System in India would be started as an additional elective course which is open for all.

Minutes of Board of Interdisciplinary Studies were approved unanimously.

4. Approval of the minutes of Board of Examinations and Evaluation:

- It was resolved that rules and regulation about examination of SSPU be applied for conduct of examination for Autonomous college.
- Assessment of Extra credits and compulsory credits Interdisciplinary courses to be done as per the guidelines & rules of SPPU.
- It was discussed to constitute a committee under chairmanship of Dr. Sanjay Kharat to decide fee structure for examination and a Committee to be constituted at college level as per 48(3) for appointment of examiners panel.
- It was unanimously recommended to start NCC as an elective course and examination be conducted as per the guidelines. It was decided that all remuneration for exam work be given as per the FUGC guidelines & it should not be less than remunerations of SPPU.
- It was recommended that no more reforms to be initiated till the first examinations are conducted successfully. Members approved the examination schedule.

5. Any other point with the permission of the chair:

5.1 Dr. Adinath Suryakar suggested that action taken report appended with minutes of previous meeting update the members about decisions taken and their status. It was decided to share action taken report along with a notice of next meeting.

5.2 Prof. Swati Kandharkar, Chairperson, Mathematics BOS and a member discussed the issue of Mathematics required or omitted to fulfil Eligibility for the courses like BCA (Science), Biotechnology & BSc Blended. There are modules based on mathematics for the above mentioned courses, however students who didn't opt Mathematics find it difficult. Despite organizing Bridge Courses the student can't get good marks in Mathematics. It was suggested that the BOS decides about the eligibility for above mentioned courses. Prof. Deshpande advised that such eligibility related criteria need to be defined in accordance with the AICTE and UGC norms

The meeting was concluded with a cordial vote of thanks.
