Academic Year2022-23
Nirmalya Collection

Together we can make it happen! Better, cleaner waste-free and less pollution festivals! This festive season we take a look at what we have done and how we can do more.

The Nirmalya event started organically with waste pickers wanting to serve the city, its rivers and participate as only they can in the Ganapati celebrations. Like every year, this year too NSS had adopted Chaturshrungi Temple the city in order to divert Nirmalya and do their regular effort for a Happy Navaratri festival. Made possible by generous college and Temple Trust support this event creates awareness about the need to stop pollution and better waste segregation as well.

Modern College is at foot of Chaturshingi Mata. Every year NSS Department celebrates "Navratri Mahotsav" differently. It is the environmental awareness initiative taken by the college.

Objectives:

1. To collect Nirmalya (Flowers, Garlands, Coconuts and other material)
2. To Drop Nirmalya into Pits made on the top of the hill
3. To help Chaturshingi Mandir trust to maintain cleanliness in the Campus

Date and Duration: 26/09/2022 to 06/10/2022

Total: 100 students and 3 Professors

The Nirmalya collection drive was held from 26/09/2022 to 06/10/2022. Group of 20-30 students collected Nirmalya daily. Nirmalya is converted into bio-waste and used as a manure for the plants

planted on the top of the hill. This manure helps the trees grow green. It increases the scenic beauty of nature.

Students collected 154 Bags of flowers 36 Bags Plastic, 11 Bags of Agarbattis from Mandir. Plastic was kept aside for the further process. All the other Waste was drop in the pit by the students. Every day 20-30 students and 3 staff members are present for the drive.

Members of Devasthan and Green Hill Foundation guided the students for making bio manure from the Nirmalya. Member of Green Hill Foundation gave information to students about trees. They told that due to plantation, variety of birds is increased. It enriches the nature.

Outcome:

The drive of Nirmalya collection helps Devasthan to keep environment clean an healthy. On the other side, students got a chance to work for a social cause. They enjoy the nature and happily collect the Nirmalya every year.

Cleanliness Drive

NATIONAL CADET CORPS (NCC)

P.E.S's Modern College of Arts, Science and Commerce

Ganeshkhind, Pune-16(Autonomous)

Date: 1st October 2023

Total participants: 39

On the occasion of Gandhi Jayanti, NCC cadets of 2 MAH GIRLS BN from P.E.S's Modern College of Arts, Science and Commerce Ganeshkhind organized a cleanliness drive. This activity was conducted at Taljai tekdi, near Parvati, Pune. Before commencing the activity, a meditation session was conducted at Tajai temple. Cadets were divided in two groups. One for collection of Plastic bags, wrappers and other for collecting plastic bottles. During this activity they also cleaned weed plants in the area. All NCC cadets participate very well in this activity. The activity was conducted between 8.30am to 10.30am. 12 trash bags of plastic waste including plastic bottles and carry bags were collected. The whole experience was fantastic, it was not at all tiring as the people praised and encouraged us, also even some helped us out to pick the trash.

National Moth Week - 2023

National Moth Week celebrates world over end the last week of July to encourage all "Moth-ers" of all ages and abilities to learn about the beauty, life cycles, and habitats of moths.

Department of Botany and Zoology, Modern College of Arts, science and commerce, Ganeshkhind, Pune (Autonomous) have celebrated National moth week 2023 in association with Biology department, IISER Pune on **Thursday, 27th July 2023** from **7 pm to 9 pm** at basketball court of college. **Ms. Sonali Bhate and Ms. Divya Raj** was the resource person for the event. They have explained how to observe, and document moths from our surrounding and how to upload them on various online databases so that one can contribute to moth study. They have also explained how to setup a screen and light to catch the moths. There were total 25 participants for the event. It is conducted under the guidance of Principal Dr. Sanjay kharat.

Visit to Agriculture College, Pune

Day and Date: Monday, 30.10.2023

Time: 10.00 – 1.00 pm

Objective:

1. To understand the cultivation techniques under polyhouse.
2. To aware students about the enterprunial opportunity in floriculture and biofertilizer industry

No. of Beneficiary: 35

The Department of Botany, PE society's Modern college of Arts, Science and Commerce, GK, Pune has conducted an institutional visit to Polyhouse and Biofertilizer unit in Agriculture College, Pune on Monday 30th October 2023. The visit was headed by Dr. Prachi Kshirsagar, Assistant Professor in Botany and comprised of thirty five students of 2nd year B.Sc.

The initial phase of the visit was started with the introduction of Polyhouse and benefits of cultivation under Polyhouse condition. The instructor in Polyhouse guided the team to various Polyhouse and shown different crops which can be taken in Polyhouse condition and how to do flower processing. After that students moved to Biofertilizer unit when they have seen how to prepare various types of biofertilizers.

Students got a deep knowledge on current opportunity in floriculture and biofertilizer industry.

Visit to Polyhouse

Processing of Cut flowers for transportation

Outcome:

1. Helped in minimizing the gap between theoretical learning and practical exposure in field regarding floriculture.
2. Student got the chance to see the processing of flowers before sent in market.
3. Students got an idea of the opportunities available as entrepreneurs in the biofertilizer industry.
