

C-7.2 The Best Practices

Best Practice- 1

- 1. Title of the Practice:** Enhancing career opportunities among students through strategic planning and initiatives
- 2. Goal:** To empower students by connecting them with diverse career opportunities, enhancing their employability skills while fostering and strengthening the industry-academia collaboration for overall professional growth.
- 3. The Context:** The Placement Cell of the college operates as a crucial bridge between students and the corporate world. This cell organizes activities for students of all the three faculties namely Arts, Science and Commerce of the college. The academic year 2023-2024 witnessed increased emphasis on skill-building programs like AI training, résumé writing, mock interviews and guest lectures aimed at making students industry-ready. This was supported by collaborations with organizations such as Coditude, TCS, Serum Institute and others to ensure successful placements.

4. The Practice:

i. Pre-placement Activities:

- Workshops on résumé writing, interview preparation, and career guidance
- Training sessions on AI, Data Science and soft skills by industry professionals like Mr. Anandsagar Shiralkar
- Mock interviews for postgraduate students to prepare for real-world scenarios

ii. Placement Drives:

- Companies such as Coditude, TCS and Serum Institute conducted recruitment drives
- Placement opportunities were facilitated across domains like IT, Biotechnology, Commerce, Humanities and Social Sciences

iii. Specialized Programs and Collaboration:

- Interaction events with industry experts such as Mr. Divjot Singh and Mr. Subhash Pol focused on studying abroad and international career opportunities.
- Green Career Workshops to explore career paths in environmental sciences.
- MoUs with 5 renowned organisations to improve output of placements across faculties

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

5. Evidence of success:

- High placement rates with as many as 45 students of Third Year UG and PG programmes of various departments such as Computer Science, Biotechnology, Microbiology, Chemistry and commerce placed in reputed organisations Coditode, TCS, Serum Institute and Cognizant
- Many departments of the college such as Biotechnology, Chemistry, Computer Science, Commerce and Arts conducted workshops, training sessions and pre-placement activities for their Third Year UG and PG students
- Enhanced skills and industry-readiness among students as reflected in their performance during recruitment drives.

6. Problems Encountered and Resources required:

1. Challenges:

- Engaging students across all academic levels and ensuring participation.
- Skill components among students through curriculum or self-learning to be industry-ready keeping the challenges and requirements of the sector in mind.

2. Resources Needed:

- Increased funding for workshops and training sessions.
- Stronger partnerships with industries for internships and job opportunities.
- Dedicated infrastructure for hosting large-scale placement events.

Best Practice-2

1. **Title of the Practice:** Promoting Entrepreneurial Development among students through Innovative Initiatives and Experiential Learning
2. **Goal:** To nurture entrepreneurial skills and innovative thinking among students by providing them with platforms, mentorship and exposure to real-world challenges, ultimately creating job creators and leaders for social and economic growth of the nation.
3. **The Context:** The growing need for entrepreneurial mindsets among youth necessitates the creation of ecosystems where innovation is cultivated. Progressive Education Society's Modern College of Arts, Science and Commerce, Ganeshkhind, Pune-16 has made strides in fostering such an environment through its Institution's Innovation Council (IIC) and initiatives like *Vividhaa*- Exhibition-cum-Sale. These programs address gaps between academia and the industry sectors by emphasizing hand-holding, mentorship and cross-disciplinary collaborations.
4. **The Practice:** These practices highlight the institution's commitment in bridging the gap between education and industry sectors which will empower students to become innovative leaders in their respective fields.

The institution implemented the following practices to promote entrepreneurial development and innovation-oriented mindset:

i. Institution's Innovation Council (IIC):

- Conducted workshops on design thinking, intellectual property rights, and startup strategies
- Established pre-incubation centres in Life Sciences, Computer Science and Food Processing Technology to provide hands-on support for innovative projects
- Organized competitions like business plan presentations and innovation challenges to ignite creativity and strategic thinking

ii. Vividhaa-Exhibition-cum-Sale:

- An annual event showcasing student-led stalls featuring handicrafts, food and services
- Participants receive mentorship from alumni and professionals on stall management, marketing and customer interaction
- Performance evaluation and recognition for entrepreneurial excellence motivate further innovation

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

iii. Collaborations and Partnerships:

- Collaborated with alumni and external organizations to provide scholarships, guidance, and resources
- The Institution's Innovation Council (IIC) signed MOUs with 16 organisations including industrial companies and NGOs to integrate academia with industry eco-systems

5. Evidence of Success:

- Over 42 entrepreneurial stalls were successfully managed by students at *Vividhaa*, generating a total turnover of ₹5,62,725/- in 2023-24
- Establishment of Pre-incubation Centres equipped with advanced resources, benefitting over 100 students in interdisciplinary projects
- A significant rise in student-led startups and participation in national innovation programs like ARIIA and Smart India Hackathon
- Under IIC initiatives, faculty members such as Dr. Supriya K received a fellowship, Dr. Gayatri Shrotriya started Start Up Company and Ms. Meenal Jabade along with her student, Darpan Eknath Rokade filed a patent entitled, 'Screening Application of Syslexia and Dysgraphia using Cognitive AI
- Enhanced employability and entrepreneurial skills among students, as observed in alumni feedback and project outcomes

6. Problems Encountered and Resources Required:

i. Challenges:

- Training students in entrepreneurial skills required continuous mentorship
- Coordination among stakeholders from different sectors and domains to ensure seamless implementation of initiatives
- Limited access to pre-incubation resources
- Capacity-building programs for students to harness their innovative potential

ii. Resources Required:

- Financial support for setting up for enhancing infrastructure of pre-incubation centres
- Industry expert involvement for sustained mentorship and project funding
- Expansion of platforms like *Vividhaa* to include national and international stakeholders

INVITATION LETTER

Dr. Vinay Kumar, Professor & Head
Department of Biotechnology
'PES' Modern College of Arts, Science & Commerce
Ganeshkhind, Pune - 411007

Dear Sir,

I hope this letter finds you in good health and high spirits. It is with great pleasure that I extend an invitation to you on behalf of the SERB-CRC-SSR activity at the National Fungal Culture Collection of India (NFCCI), Agharkar Research Institute (ARI) in Pune.

We are organizing a one-day workshop on "Taxonomy and Molecular Phylogeny of Lichens" which will take place on October 4th, 2023. This workshop is designed to provide a comprehensive understanding of the fascinating world of lichens, focusing on their taxonomy and molecular sequencing techniques. Lichens are unique and ecologically important organisms, and the study of their taxonomy and molecular sequencing is vital for various scientific disciplines, including biotechnology. This workshop will offer valuable insights into the classification, identification, and application of cutting-edge molecular techniques in lichen research.

The details of the workshop are as follows:

Date: October 4th, 2023

Time: 9:30 AM to 5:00 PM (detailed schedule is attached separately)

Venue: National Fungal Culture Collection of India (NFCCI), Agharkar Research Institute, Pune - 411004

We would be honored to have you as a distinguished guest and participant (20 students) at this event. Your presence and expertise would greatly enrich the discussions and contribute to the workshop's success. If you require any additional information or have any special requests, please contact me (Dr. Rajesh Kumar - 75075 60950). We eagerly look forward to your positive response and hope that you can join us for this informative and engaging workshop. Your participation would undoubtedly make a significant difference, and we are excited about the prospect of collaborating with you on this academic endeavour.

Thank you for considering our invitation, and we hope to see you at NFCCI, Pune on October 4th, 2023.

Warm regards,

C-7.2 The Best Practices

Best Practice-2

- 1. Title of the Practice:** Promoting Entrepreneurial Development among students through Innovative Initiatives and Experiential Learning
- 2. Goal:** To nurture entrepreneurial skills and innovative thinking among students by providing them with platforms, mentorship and exposure to real-world challenges, ultimately creating job creators and leaders for social and economic growth of the nation.
- 3. The Context:** The growing need for entrepreneurial mindsets among youth necessitates the creation of ecosystems where innovation is cultivated. Progressive Education Society's Modern College of Arts, Science and Commerce, Ganeshkhind, Pune-16 has made strides in fostering such an environment through its Institution's Innovation Council (IIC) and initiatives like *Vividhaa*- Exhibition-cum-Sale. These programs address gaps between academia and the industry sectors by emphasizing hand-holding, mentorship and cross-disciplinary collaborations.
- 4. The Practice:** These practices highlight the institution's commitment in bridging the gap between education and industry sectors which will empower students to become innovative leaders in their respective fields.

The institution implemented the following practices to promote entrepreneurial development and innovation-oriented mindset:

i. Institution's Innovation Council (IIC):

- Conducted workshops on design thinking, intellectual property rights, and startup strategies
- Established pre-incubation centres in Life Sciences, Computer Science and Food Processing Technology to provide hands-on support for innovative projects
- Organized competitions like business plan presentations and innovation challenges to ignite creativity and strategic thinking

ii. Vividhaa-Exhibition-cum-Sale:

- An annual event showcasing student-led stalls featuring handicrafts, food and services
- Participants receive mentorship from alumni and professionals on stall management, marketing and customer interaction
- Performance evaluation and recognition for entrepreneurial excellence motivate further

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

innovation

iii. Collaborations and Partnerships:

- Collaborated with alumni and external organizations to provide scholarships, guidance, and resources
- The Institution's Innovation Council (IIC) signed MOUs with 16 organisations including industrial companies and NGOs to integrate academia with industry eco-systems

5. Evidence of Success:

- Over 42 entrepreneurial stalls were successfully managed by students at *Vividhaa*, generating a total turnover of ₹5,62,725/- in 2023-24
- Establishment of Pre-incubation Centres equipped with advanced resources, benefitting over 100 students in interdisciplinary projects
- A significant rise in student-led startups and participation in national innovation programs like ARIIA and Smart India Hackathon
- Under IIC initiatives, faculty members such as Dr. Supriya K received a fellowship, Dr. Gayatri Shrotriya started Start Up Company and Ms. Meenal Jabade along with her student, Darpan Eknath Rokade filed a patent entitled, 'Screening Application of Syslexia and Dysgraphia using Cognitive AI
- Enhanced employability and entrepreneurial skills among students, as observed in alumni feedback and project outcomes

6. Problems Encountered and Resources Required:

i. Challenges:

- Training students in entrepreneurial skills required continuous mentorship
- Coordination among stakeholders from different sectors and domains to ensure seamless implementation of initiatives
- Limited access to pre-incubation resources
- Capacity-building programs for students to harness their innovative potential

ii. Resources Required:

- Financial support for setting up for enhancing infrastructure of pre-incubation centres
- Industry expert involvement for sustained mentorship and project funding
- Expansion of platforms like *Vividhaa* to include national and international stakeholders

VIVIDHAA AN EXHIBITION CUM SALE 2023-24

Every year Modern college Ganeshkhind in collaboration with Alumni association Modernites organizes VIVIDHAA Exhibition cum sale. It is one of the objectives of the Modernites alumni association is to inculcate entrepreneurial culture amongst youth. It has taken the efforts to create and nurture entrepreneurial mindset of youth through this platform of experiential learning. Through Vividhaa the effort is taken to develop the entrepreneurial skills and employability skills of the students.

In the academic year 2023-24 Modern college has organized collaborative event of exhibitioncum sale- "VIVIDHAA" on the theme 'Dheyaatun Dhyasakade' during 7th Feb to 10th Feb 2024. Our college seeks the expertise of alumni association for training and exhibiting the entrepreneurial talents as well as evaluating their performance through exhibition. This year the event was organized in collaboration with IIC and Publicity team of the college.

A. EXHIBITION CUM SALE:

After talking and counseling with participants the nature of the stall was decided by the panel of team. They exhibited their talents in the areas of Handicrafts, jewellery, food and beverages, dress materials, etc. We had given one stall to social institutes like Ek kshan Anandacha and Swachha. **42 teams i.e. stalls were allotted amongst 5 teachers and 3 non-teaching staff, one alumnus, one professional and 86 students.**

The total turnover during the four days was Rs. 5,62,725/only.

The performance of the students was judged by evaluating them on various parameters. The winners were awarded under the category of food and handicrafts. The stall evaluation was done by Mr. Rahul Shinde and Ms. Patil from Edu Varta, Mr. Chirayu Kadurkar our alumnus.

The inauguration ceremony of this event was at the hands of Mr. Abhay Gadgil PNG Jewellers, Prof. Parag Kalkar Pro Vice Chancellor, R J Apporva on 8th Feb 2024. The function was compeered by Dr. Pallavi Nikhare. The guests had appreciated the engagement of alumni association as a mentor of youth of alma mater.

Progressive Education Society's
Modern College of Arts, Science and Commerce (Autonomous)
Ganeshkhind, Pune -16
Institution's Innovation Council
Annual Report 2023-2024

A. About P. E. Society's Modern College of Arts, Science and Commerce, Ganeshkhind, Pune's Institution's Innovation Council:

The potential of Innovation in nation build-up is rightly recognized and therefore to promote innovative ideas of faculty and students, PES's Modern College of Arts, Science, and Commerce, Ganeshkhind, Pune-16, has established 'Institution's Innovation Council' in October 2019 and participated in several initiatives of different cycles of IIC, Government of India. Our IIC has registered for ARIIA, KAPILA, YUKTI, NIRF and MANTHAN.

Objectives:

- To Foster a culture of design and creative thinking.
- To advocate for and bolster research, innovative projects, and students' start-up ideas.
- To forge partnerships with industry leaders.
- To mentor student innovators, guiding them toward becoming independent and responsible citizens through their start-up and entrepreneurial ventures.

Vision: To create a vibrant, progressive, and modern innovation and startup ecosystem that encourages creativity, fosters an entrepreneurial mindset and produces job creators.

Mission: To establish a sustainable innovation ecosystem, resulting in innovation driven employment and economic growth and facilitating the creation of startups.

The journey of IIC:

The 'Innovation, Incubation and Startup Cell' was established in P.E. Society's Modern College of Arts, Science and Commerce, Ganeshkhind, Pune, in October 2019. We have organized motivational sessions for students and faculty on research and innovation, IPR, startups and entrepreneurship. Idea and business plan competitions were organized for the students. In IIC-4.0 we have received financial support for conduct of Impact lecture series from MIC, Government of India. Participated in Mentor-Mentee scheme as mentee and received guidance from Mentor institute RD&SH National College, Mumbai. Faculty motivation for IP protection is facilitated by support from college authorities. As a part of IIC functioning we have participated in ARIIA, NIRF, KAPILA and YUKTI programs.

'IIC Student Unit' was established in 2022 for students' participation, Interaction and acquirin necessary skill sets for entrepreneurship and contribute towards prosperity of society and the nation.

Under the umbrella of IIC different cells like IIC, Start-Up, Innovation, Entrepreneurship, Skill Development, IPR & Internship Cells are formed, where staff and student coordinators are appointed.

In 2023, under the mentorship of MIT ADT University, we have established three pre-incubation centers in Life Sciences, Computer Science and Food Processing Technology where laboratory instruments, computer, internet and facility to work for late hours provided.

We have signed MoUs and collaborating with various academic institutions, Industries, NGOs and Incubation Centers. In college lots of Innovation and Entrepreneurship related courses are both academic and nonacademic added.

Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units, etc.:

PURPOSE

This Memorandum of Understanding aims to establish a framework for cooperation between the Party of the **FIRST PART** and the Party of the **SECOND PART** to conduct research and social awareness related to various activities.

This Memorandum creates no charge/consideration/ cost/ monetary transactions between the Two Parties. Still, it shall be binding to maintain the independence of both parties in their respective area of work.

The purpose of this Memorandum is to organize or implement socio-economic research, need analysis studies, impact assessment studies, social awareness campaigns, guest lectures, seminars, conferences, workshops, certificate courses, and other activities related to Sustainable Rural Development and Environment Conservation and to provide a learning platform to the students of BA (Sociology) and MA (Sociology) who will be the participants for the same.

[Handwritten signature]

The parties now have agreed to sign a Memorandum of Understanding. The Memorandum of Understanding will be applicable for the period of **Five Years from 2023 to 2028**.

2. RESPONSIBILITIES

The **Party of the FIRST PART** will appoint one staff member as a mentor for guiding and monitoring the students and coordinating and communicating with the **VANARAI**.

The **Party of SECOND PART** offers students involvement in various Research, Social Awareness, Sustainable Rural Development, and Environment Conservation activities.

The participation process will be done by **The Party of FIRST PART** according to the availability of the programs arranged by **The Party of SECOND PART**. All the activities run in mutual understanding of both parties.

The schedule of the programs will depend on the strategy and action plan by **The Party of SECOND PART**.

The **Party of the FIRST PART** will communicate with the students about all planned programs and activities and ensure the active participation of the students.

All participation records will be provided to **The Party of the SECOND PART** by **The Party of the FIRST PART**, and All the attendance forms will be provided to **The Party of the FIRST PART** by **The Party of the SECOND PART**.

Both Parties shall adhere to strict guidelines in maintaining data, and both parties are expected to give credit to each other, especially when publishing the data in the form of a book, booklet, article, or another format. **The party of the First Part** definitely gives suggestions, feedback, and recommendations to **the Second Part**. But shall not interfere nor publicly criticize (in any form) the work carried out by **the Party of the Second Part**. **Party of the First Part** shall not engage in any activities which will hamper/obstruct/damage the activities and workings of the **Party of the Second Part**. The violation of the said shall make **Party of the First Part** liable for damages if any, as well as any other act to ensure the smooth functioning of the activities of the **Party of the Second Part**.

This Memorandum of Understanding is governed and construed in all respects in accordance with the laws of India. In the event of any dispute or difference between the **Party of the SECOND PART** and the **Party of the FIRST PART** regarding any terms of this memorandum of understanding, such dispute/difference shall be referred to a mutually decided arbitrator for

arbitration. The proceeding shall be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996.

Objectives of the Program

1. To create Idea among the participants for Start-Up
2. To inform about the various Startup Business Ideas and Innovation.
3. To discuss various opportunities and challenges in Agricultural Start-Ups
4. To inculcate the entrepreneurial skillset amongst the Participants
5. To make students aware about various funding opportunities and documentation required for compliances

Description of Activity

One day workshop on ‘Agriculture Start-Ups’ was organized in PES Modern College of Arts, Science and Commerce, Ganeshkhind, Pune in collaboration with The Farm which is a start-up to educate farmers for agricultural startups and business. The workshop started at 9.00am with registration and at 9.30 Inauguration of workshop took place by the hands of Principal Dr. Sanjay Kharat. Mr. Sarvesh Ghangale welcome the audience on behalf of the Farm. Dr. Sangeeta Dhamdhare-Rao welcomed the audience and briefed about Modern College and IIC of Modern College. Mr. Sarvesh introduced the chief guest. Chief Guest was felicitated by the hands of CEO the Farm. Dr. Sanjay Kharat addressed the audience with very good examples of start-ups in Kochi and Fishery and told about how now a day because of incomplete information of youtube university people are failing in start-ups workshop. Mr. Ritesh, CEO of the Farm delivered a session on start-up ecosystem- Ideation and validation in an interactive manner. He discussed many successful case studies. Many participants involved in the discussion and cleared their ideas. Mr. Sarvesh effective pitch and proposal making for startups. CS Sushant Kulkarni told about the documentation process for any start up compliance. Mr. Mahesh Londhe explained different funding opportunities for agriculture startups.

Dr.Sangeeta Dhamdhare, Covener, coordinated the program.

No. of Beneficiaries

Farmers and Food Technology students: 20

Teachers: 3

Program outcome:

1. Participants got idea of start-ups and how to choose an idea for start-ups
2. Participants learned how to fulfil compliance of startups and prepare documents
3. Participants learned how to prepare an effective proposal and presentation of their startup
4. Participants came to know various funding opportunities available to apply for agriculture startups.

GYAN SETU REPORT
Namrup and Tinsukia, Assam (October 2023)

Objectives:

- 1) Conduct joyful hand-on science workshops for school kids.
- 2) Organize volunteer visits to remote parts of India for science popularization and knowledge exchange.
- 3) Build a network of people and grassroot organization to strengthen this "Knowledge of Bridge".

Name of the Activity: Gyan Setu

Details of the Activity:

Date: 24th of October to 11th of November 2023

Place: Namrup & Tinsukia Assam

Students' Participants:

Team A Volunteers (Tinsukia)

- 1)Prathamesh Shahane (TYBA)
- 2)Anika Soni (TYBA)
- 3)Rushikesh Raitkar (SYBA)
- 4)Yash Parihar (SYBA)
- 5)Tejaswini Rajale (SYBA)

Team B volunteers (Namrup)

- 1)Rohan Bhalerao (Faculty)
- 2)Saikumar Solanke (SYBA)
- 3)Raman Chatole (SYBA)
- 4)Samiksha Wagh (FYBA)
- 5)Chandrika Kesharwani (TYBA)
- 6)Divyanjali Bhamare (TYBA)

Details of the Program:

Gyan Setu science workshops were organised in Tinsukia district and Namrup, Assam, from 24th of October to 11th of November 2023. In Tinsukia district 5 volunteers and in Namrup 6 volunteers conducted science workshop with the help of simple science based experiments in 10 schools. The volunteers are undergraduate students at Modern college, Ganeshkhind, Pune. All students were trained for conducting workshops by jnana Prabodhini, Pune. Students

conducted Science workshop for middle school students, Exhibition-Know your country, interviews, Cultural exchange program (Food preparation, Traditional dress etc).

Schools where workshops were conducted, Tinsukia district:

- 1) Philobari High School, Philobari (320 students)
- 2) Chikorajan Jatiya Vidyalaya, Philobari (120 students)
- 3) Kakopothar Jatiya Vidyalaya, Kakopothar (90 students)
- 4) Paramananda Jatiya Vidyalaya, Borguri (205 students)
- 5) Jatiya Vidyalaya, Sripuria (90 students)

Schools where workshops were conducted in Namrup:

- 1) Basundhara Jatiya Vidyalaya, Namrup (88 students)
- 2) Namrup High School, Namrup (258 students)
- 3) Dilli Tea Estate Model School, Namrup (157 students)
- 4) Mahmora Adarsha Vidyalaya (230 students)
- 5) Jeypore Higher Secondary School (460 students)

Beneficiaries: Students from schools of Namrup and Tinsukia, Assam and participants of Modern College of Arts, Science and Commerce, Ganeshkhind, Pune.

Outcome:

1. Students' volunteers gained the experience of teaching; they had got hands-on training of teaching.
2. Students were confident and happy to teach students from middle schools.
3. Students' volunteers interacted with the villagers of Namrup & Tinsukia and knew about their environment, culture, lifestyle of Namrup & Tinsukia, Assam.

WORKSHOP ON STRUCTURAL BIOLOGY AND DRUG DISCOVERY

OBJECTIVES :

1. To provide hands on training to students.
2. To provide basic knowledge of Bioinformatics and its application in biology
3. To develop technical and scientific and research attitude in students.
4. To provide exposure to new career options and jobs related to Bioinformatics

Nature of Activity : Workshop (Lecture and hands on training)

Date: 10/09/2023 & 17/09/2023

No of Beneficiaries – 24

Report – Department of Zoology, Modern college of Arts, Science, Commerce Ganeshkhind, Pune in collaboration with Mr. Biologist, MIT (Kothrud), Pune has organized 2 day Workshop on Structural Biology and Drug Discovery” for Zoology students. UG as well as PG Students participated in this workshop. A detailed informative lecture was delivered by Senior Bioinformatician Mr. Vaibhav Sable and from Mr. Biologist, Pune. They explained the basics concepts of bioinformatics and its application in field of biology and drug discovery through an informative powerpoint presentation. They provide information about the various Databases such as NCBI, NIH, UNIPROT, etc available online for getting nucleotide, protein or any gene sequences of any organism. Our students learnt how to use softwares such as SOAPMA, MEGA, CLUSTAL W, RASMOL that can be sued to generate 2-D or 3-D structure of proteins and to construct phylogenetic trees using multiple sequence alignment.

The powerpoint presentation is followed by Hands-On Practical sessions and training conducted in computer lab where students got an opportunity to perform practical related to find nucleotide

and protein sequences from online databases, construct 2-d and 3-D structure of proteins using SOAPMA, RASMOL and to construct phylogenetic trees using MEGA softwares. Our students exchanged got their queries solved with enthusiasm. Students found the HANDS ON training really interesting and informative. Students were inquisitive about the application of bioinformatics in field of drug designing and discovery and new job opportunities for carrer advancement available in this field. After he completion of the 2 days workshop all the participants were provided by the certificate from Mr. Biologist, MIT (Kothrud), Pune.

Outcomes :

This workshop proved to be a great learning experience for the students to increase their interest and develop skills to learn the use of databases, softwares, technical expertise in field of Biology and Bioinformatics.

2. To Fascinate students about flora and fauna found on Earth.
3. To orient young students about career opportunities in the field of science and technology.
4. To enhance the quality of our global environment for the benefit of all people.
5. Promoting a better understanding of the effect our society has on the long term health of our planet.

Nature of Activity : Visit (School visit and Provide demonstration and experiential learning experience to school students)

Date: 20/01/2024 to 29/02/2024

No of Beneficiaries – 250

Report –Department of Zoology, Modern college of Arts, Science, Commerce, Ganeshkhind Pune has organized the Conserve Mother Activity. UG Students participated in this activity. During the activity, UG students visited various school in rural and urban areas of Pune. UG students provide experiential learning experience to school students and explained various topics related to Conserve Mother earth and Vasudeva Kutumbakam such as Wild life, forest depletion and conservation, carbon neutrality, pollution and its control, global issues and their solutions, etc. They also addressed the school students about the scope, job opportunities in the field of basics traditional sciences such as Taxonomy, Systematics, Entomology, and its amalgamation with applied sciences such as Genetics, Molecular Biology, Pharmacogenomics, and Agriculture. Students performed various experiments related to soil and water testing. Various animal specimens belonging to various phylum of Animal Kingdom were showed to them. Students also got to know about techniques of preservation of insects and other animal

species and identification of useful and harmful insects. A power point presentation on vulnerable and extinction animals were also shown to them. Students were also demonstrated how to measure vital body parameters like body temperature, hemoglobin percentage, Blood pressure, heart beat, pulse rate, BMI, etc.

School students showed great interest and enthusiasm and exchanged their ideas and got their queries solved with Modern College students

Outcomes : . This visit proved to be a great motivation and great learning experience for the students to widen their mental horizons and knowledge.

The terrace garden experiment conducted at Modern College, Ganeshkhind, assessing the efficacy of Biobooster biofertilizer on various plant species holds significant importance for multiple stakeholders, including the college, students, and society at large.

Importance and Need of the Experiment:

1. **Academic Relevance:** The experiment provides practical learning opportunities for students studying botany, agriculture, or environmental sciences. By engaging in hands-on experimentation, students gain a deeper understanding of plant physiology, fertilizer efficacy, and sustainable gardening practices.
2. **Innovation in Agriculture:** As the world faces challenges such as food security and environmental degradation, innovative solutions like Biobooster biofertilizer offer sustainable alternatives to conventional chemical fertilizers. This experiment contributes to the exploration of eco-friendly agricultural practices, aligning with global sustainability goals.
3. **Local Context:** In urban areas like Ganeshkhind, terrace gardening is gaining popularity due to space constraints and the desire for greener living environments. Assessing the effectiveness of biofertilizers in such settings is crucial for promoting urban agriculture and community gardening initiatives.

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

Outputs and Impacts:

- 1. Educational Impact:** The experiment provides valuable data and insights for academic research and curriculum development. Findings can be integrated into coursework, seminars, and research projects, enriching students' learning experiences and fostering innovation in agricultural sciences.
- 2. Environmental Benefits:** By demonstrating the efficacy of Biobooster biofertilizer, the experiment promotes sustainable gardening practices that reduce reliance on chemical inputs. This contributes to soil health, biodiversity conservation, and mitigating the environmental impacts associated with conventional agriculture.
- 3. Community Engagement:** Terrace gardening initiatives supported by college campuses not only beautify the surroundings but also engage the local community in environmental stewardship. Sharing the results of the experiment through outreach programs, workshops, or demonstration gardens can inspire broader adoption of eco-friendly gardening practices.
- 4. Economic Viability:** Sustainable agricultural practices not only benefit the environment but also offer economic advantages, especially for small-scale farmers and urban gardeners. Biobooster biofertilizer, if proven effective, presents a cost-effective and environmentally friendly alternative to traditional fertilizers, potentially reducing input costs and enhancing crop yields.

In conclusion, the terrace garden experiment at Modern College, Ganeshkhind, offers valuable insights into the potential of Biobooster biofertilizer to enhance plant growth and sustainability in urban gardening settings. The findings contribute to academic knowledge, promote environmental stewardship, and support the adoption of sustainable agricultural practices, benefiting both the college and wider society. Continued research and application of innovative solutions like biofertilizers are essential for addressing the evolving challenges of food security and environmental sustainability.

Introduction:

The terrace garden experiment conducted at Modern College, Ganeshkhind aimed to evaluate the efficacy of Biobooster biofertilizer, a patented technology developed by SHREEL-SURYA RESEARCH PVT LTD, on various plants commonly found in the garden. The experiment involved comparing the growth and health of plants treated with Biobooster biofertilizer (referred to as the "Test" group) against untreated plants (referred to as the "Control" group).

Experimental Setup:

- The experiment involved selecting multiple plant species commonly found in the garden. List is attached below table.
- For each selected plant species, more than half of the plants were treated with Biobooster biofertilizer, while the remaining plants served as the Control group without any fertilizer application.
- Dose of application - 100 ml biobooster for 10 lit water. Watering with this to "Test" group plants.

- Parameters such as plant height, number of leaves, and chlorophyll content (color) were measured and compared between the Test and Control groups.

Duration - 1/01/2024 - 15/03/2024

Sr.No	Name of Plant	No. of plants
1	Aloe vera	4
2	Papaya	5
3	Rose	26
4	Hibiscus	6
5	Mango	3
6	Pomegranate	2
7	Chikku	2
8	Custard Apple	3
9	Purple Heart	2
10	Kardal	3
11	Lemon	4
12	Tulsi	9
13	Brinjal	11
14	Banana	5
15	Bryophyllum	3
16	Carom seed plant	2
17	Ginger	2
18	Palm tree	8
19	Betel leaf tree	2
20	Rubber Tree	2
21	Frangipani	2
22	Chrysanthemum	2
23	Painters pallet	3

Observations:

1. Height Increase: The plants treated with Biobooster biofertilizer exhibited a significant increase in height compared to their Control counterparts. This indicates enhanced vertical growth facilitated by the application of the biofertilizer.

2. Increased Leaf Count: The Test plants displayed a notable increase in the number of leaves compared to the Control plants. This suggests improved foliage development, which is crucial for photosynthesis and overall plant health.

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

3. Enhanced Chlorophyll Content: Observations revealed a darker shade of green in the leaves of Test plants, indicating higher chlorophyll content. Chlorophyll is essential for photosynthesis, and its increased presence signifies improved plant vigor and health.

4. Overall Health: The Test plants demonstrated overall better health compared to the Control plants. They appeared more robust, with vigorous growth and lush foliage, indicating that the application of Biobooster biofertilizer contributed to the plants' vitality and resilience against stress factors.

Results:

1. Conclusion:

The terrace garden experiment conducted at Modern College, Ganeshkhind, utilizing Biobooster biofertilizer from SHREEL-SURYA RESEARCH PVT LTD, yielded promising results. The application of this patented biofertilizer led to significant improvements in plant growth, including increased height, leaf count, and chlorophyll content, ultimately resulting in healthier and more vibrant plants. These findings underscore the potential of Biobooster biofertilizer as an effective solution for enhancing plant growth and productivity in terrace gardens and similar environments.

Recommendations:

Based on the positive outcomes of this experiment, it is recommended to continue utilizing Biobooster biofertilizer in terrace gardening practices at Modern College, Ganeshkhind. Further research and experimentation could focus on exploring optimal application rates and frequencies to maximize the benefits of this innovative biofertilizer technology. Additionally, conducting long-term studies to assess the sustained effects of Biobooster biofertilizer on plant health and productivity would provide valuable insights for its practical application in sustainable agriculture and urban gardening initiatives.

Food Safety Training and Certification (FoSTaC) Programme
14th March, 2024

Food Safety Training and Certification (FoSTaC) initiative by FSSAI, Government of India helps food handler, technicians and other persons related to food safety can get the authenticated training and certificate for the same. On the occasion of safety week, this programme was arranged by B. Voc. (FPT) Modern college, Ganeshkhind in collaboration with FoSTaC and HARIDRA- Food Safety Assurance agency.

This training and certification programme was of beginner level and certification given was of Food Safety Supervisor. This one day session was conducted for students of Food Processing Technology and Food Entrepreneurs in Pune district. Programme was conducted in Audio Visual Hall of Modern College, Ganeshkhind.

Inauguration of the event was with warm welcome of our delighted guests, program partners and trainers. Prof. Mrunal Pardeshi, Head of B. Voc. Food Processing Technology gave a brief idea about the evolvement of FoSTaC through FSSAI followed by the introduction of people involved for the conduction of program.

Mrs. Rupa Kanvinde madam (President AFST (I) Pune chapter), Mr. Sumer Singh sir, Ms. Priyanka Suryawanshi madam, Dr. Rameshwar Jaju (Trainer of the programme) were warmed welcomed by Prof. Bhagyashri Sarode on behalf of Modern college, Ganeshkhind.

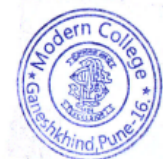

Mrs. Rupa Kanvinde madam elaborated the concept behind this training and certification session and its usefulness. As a representative of AFST (I) institute she guided the participants about training and what's its importance.

After general basis of introduction about session, programme trainer Dr. Jaju commanded the further programme. As a FoSTaC beginner level programme helped students to understand about initial stages of food safety and standard maintenance within food processing area. In this session participants were trained by Dr. Rameshwar Jaju. He initially elaborated history of the food safety laws in India, Food Safety and Standards Act, 2006 and FSSAI and their regulations and mandatory certification of the food processing industry and how FoSTaC is evolved. He explained the participants about types of registration and licences for food industries.

As this is a beginner level training programme, participants made aware about various types of hazards can be found in food industry, how to prepare safe food and maintain food safety, what are good manufacturing and good hygienic practices and how to implement them, etc. Food Safety Management System (FSMS) and guideline of Schedule IV in the food law has also been explained. Also the registration of new food business or licence process and procedure for identification or verification of FSSAI licence of various food products has also been guided to students.

Principal
Modern College of Arts, Science
& Commerce, Ganeshkhind, Pune-16.

In a batch of 50, 40 participants were college students and remaining are food entrepreneurs who are currently running their own food business. After completing training and giving evaluative exam for the same all the participants are certified as food safety supervisors.

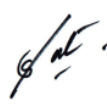

The programme was conducted under the guidance of Dr. Sanjay Kharat sir, Principal of Modern College, Ganeshkhind, Mrs. Kandharkar madam, Vice Principal (Science). Teaching staff of Department of B. Voc. Food Processing Technology, Prof. Mrunal Pardeshi, Prof. Bhagyashri Pradhan and Prof. Shraddha Herkar, and support staff Mrs. Nikam and Mr. Amol contributed towards successfulness of program.

Outcomes of Training and Certification:

1. Every participant is certified as a Food Safety Supervisor by central government institute.
2. They understood the importance of food safety.
3. Every food business operator who participated, gain knowledge about good manufacturing and good hygienic practices.
4. How to analyse whether the product is FSSAI certified or licence is valid or not is also understood by students.
5. Participants know about how and why FoSTaC is evolved and also the structure of the FSSAI and their rules and regulations.
6. Food entrepreneurs learned about the technical concepts and knowledge behind every work.
