Following issues were discussed:

- Academic monitoring mechanism needs to be devised and followed. In post-pandemic scenario HEIs, <sup>like us</sup> need to renew our commitment to teaching-learning process. It was discussed that we need to refocus on teaching pedagogy and constantly think about value addition to our courses. As also the teachers need to take more efforts for motivating students.
- It was discussed to organise induction programme for teachers.
- Absenteeism needs to be checked by having a dialogue with the students.
- We need to enhance our connect with alumni and gear up to get feedback from students and our peers from teaching fraternity for improved working.
- Considering students' disconnect with studies and their involvement in unfair means during exams, new ways need to be evolved to curb this ~~to~~ extent of unfair means.

The meeting was concluded with a cordial vote of thanks.
