## Memorandum of Understanding Regarding a Collaboration

April 22, 2019

Dr Sadhana Natu  
Associate Professor and Head, Department of Psychology  
PE Society's Modern College, Ganeshkhind  
Savitribai Phule Pune University  
Pune 16

Dear Dr. Natu:

In August of 2019, Akash Wasil will matriculate into our doctoral training program in Clinical Psychology, which is embedded in the graduate program in Psychology in my department. Akash would like to conduct research in Pune, India during the summer of 2019.

We would be honored if you would serve as one of his Mentors and Collaborators for said research. Akash will be associated with your Department from June 2019 up to September 2019. We would also appreciate it if one or more of your students could assist with the project, as volunteers.

Akash plans to co-author several papers with you, and he has promised to present work, based on preliminary findings and observations, at your institution. We hope that this will be a mutually rewarding learning experience.

Our mutual interest in mental health will help us take this work forward.

Sincerely,
